WHAT WE'RE LEARNING

This month, kindergarten worked on identifying story elements, 1st grade talked about family traditions, and 2nd grade finished up folktale comparisons. All grades celebrated Native American Heritage month by either reading folktales or learning about Native cultures. We also focused on Thanksgiving and gratitude in all grade levels, reading about scrumptious soup, thankful turkeys, Cherokee traditions and the first Thanksgiving. We have also added a ton of readers to the Reader Wall of Fame (each student who finishes a series of books gets their picture taken)!
