Dear Parent/Guardian:

During the year, I visit the schools and photograph students participating in class projects and events. These photos are used in district newsletters, brochures and the parent calendar/handbook. Class activities also may be videotaped and shown during special school events or during Board of Education meetings.

**Please complete the form below to grant permission to include your child's name and photo in district publications and videos. Return the form to your child's school by September 17.**

Oftentimes, reporters and photographers from local newspapers visit the schools. Although the district works with them, the district is not responsible for photographs taken and used by these papers either in print or online. If you have questions, please call me at (908) 284-7566.

Sincerely,

Laura Bruhn  
Communication & Personnel Coordinator

*P.S. Please remember, if this form is not completed and returned to your child's school, your child's name and photo cannot be used in district publications, including newsletters, handbooks and brochures, or sent to local newspapers.*
