

Virtual Backpack Form

Registration Instructions & E-mail Confirmation

September 2011

Dear Parent/Guardian:

To reduce the amount of paper sent home throughout the year, our district uses a **Virtual Backpack** to post school, district and community notices on our web site at www.frsd.k12.nj.us. If you wish to start or continue using our Virtual Backpack, please provide your e-mail address below. Your e-mail address will be subscribed to our List Serve and you will receive weekly e-mail reminders that the Virtual Backpack has been updated with links to the flyers that can be viewed online. Urgent notices will be sent home with all students and posted online. Teachers will continue to send home assignments and materials, so be sure to check your child's backpack frequently for classroom news.

Remember, your e-mail address must be registered in order for you to receive announcements and reminders about the Virtual Backpack during the school year. Thank you for participating and helping us work toward a "Green" spirit and commitment in our schools.

Sincerely,

Laura Bruhn
Communication & Personnel Coordinator
