

Flemington-Raritan Youth Basketball

Registration is OPEN!

The FRYB has been a part of the Flemington-Raritan community since 1992. We strive to introduce the players to the great American game of basketball, establishing a solid foundation of fundamental skills and sportsmanship.

We have over 900 players in the league and offer recreation level basketball for boys and girls in first grade through 12th grade.

Travel teams are available for boys in grades 4th through 8th and girls 5th through 8th. The travel program provides the opportunity for players to maximize their availability and skill level within their age/division, and a competitive environment. *Travel tryouts will take place in late September. Please check the website for updates to dates, times and locations.*

All players (Recreation as well as those trying out for Travel) must register and pay required fees at time of registration. For players who make a Travel team, registration funds will be transferred to the Travel team. Please note additional funds may be required and that is determined by each Travel coach.

Please go to our website now at www.fryb.org to register for the 2011-2012 season. On the website you can also find information on recreation evaluation nights (grades 3-8 – each player must attend one night), practice times and game days.

Registration closes September 30!
