*In Girl Scouting, girls get to do things just for the fun of it...
find new interests or pursue familiar ones without the fear of failure.*

Girl Scouting will provide your daughter with a safe, secure setting where, under the guidance of caring, dependable adults, she can:

- Make new friendships and enhance the old
- Do arts and crafts
- Sing songs and play games
- Discover new talents and interests
- Learn about nature by exploring the world around them
- Develop values and responsibility
- Help others in her community

If your daughter is interested in becoming a Girl Scout, and is not currently a registered member, complete the form below and mail to:

ADULT VOLUNTEERS MAKE IT HAPPEN! Girl Scouting needs caring adults, like you, to provide guidance and leadership. Whether you choose to be a leader, advisor, helper, or mentor, you can help girls reach their fullest potential. Guiding girls and watching their courage, confidence and character grow is a rewarding and inspiring experience.
