Literacy Club

Could your child benefit from extra help with reading and writing? If so, then this is the perfect club for them! The purpose of this club is to reinforce reading and writing skills through games and activities. The basic skills we will be working on are: letter recognition, letter sounds and formation, sight words, and other phonemic awareness skills. Each time we meet, you will be asked to send in a fruit, vegetable, or dairy snack for your child to enjoy right after school. After getting our bodies refueled, we will work in small groups as we practice reading and writing skills. Your child will get extra support in the areas that are essential in first grade and meet new friends all at the same time. We hope to see your child at “Literacy Club”!
