

Hunterdon Central Girls Lacrosse Booster Club Presents:

Spring Clinic - Skills & Drills

Sunday March 25, 2012

All girls welcome - from Beginners to Seasoned Players!

The clinic will emphasize fundamental skills and drills essential to success on the lacrosse field. From the beginner, who has never held a stick, to the more experienced player, participants will learn specific drills to improve their skill level of play and help prepare them for the 2012 season. The high school staff and players are volunteering their time and talent to further the progress and improve the quality of Lacrosse and support the 2012 high school booster club's efforts. This clinic will be run under the direction of Head Coach Marybeth Driscoll as well as the Varsity players.
