- They are engaged, supported, and heard.
- They feel a sense of accomplishment and take pride in themselves.

# EXCELLENCE IN EDUCATION: OUR **BELIEF**

## **We believe the role of the parent is:**

- To provide a supportive and nurturing environment where students' basic needs are met.
- To be engaged with their children's learning and share accountability for their children's success.
- To teach respect and empathy for others.

# EXCELLENCE IN EDUCATION: OUR **BELIEF**

## **We believe the role of the community is:**

- To financially support the needs of the schools.
- To model good citizenship for our youth.
- To support and embrace our school community actively and respectfully.

# EXCELLENCE IN EDUCATION: OUR **BELIEF**

## **We believe the role of the staff is:**

- To build a relationship with students and families by knowing and valuing the unique gifts and talents each child brings to learning.
- To design instruction that targets the specific learning needs of each child.
- To communicate and build a partnership with families in support of a student's academic and social emotional well-being.

# UPON GRADUATION: OUR **BELIEF**

## **We believe students upon graduation:**

- Will evolve into lifelong learners.
- Possess the competency to engage in high school.
- Have a toolbox of strategies to cope with the uncertainty of life.

# Our **MISSION**

As a Community of One, WE:

**Foster** social, emotional and academic growth within a connected learning community

Francis A. Desmares Elementary School students read over 33,000 minutes and raised over \$4,800 dollars that will benefit student activities and teacher requests.

The Flemington-Raritan Regional School District is a top-rated school district in the State of New Jersey.

# Student Academics

# 03

According to Public School Review, for the 2023 school year, there are six public schools, serving over 3,000 students. The District's average testing ranking is 7 out of 10, which is the top 50% of public schools in New Jersey.

# ASSESSMENTS GUIDE OUR INSTRUCTION

The District used ESSR funds to support the purchase of the NWEA/MAP assessment tool to measure student's progress or growth in school.

An adaptive achievement and growth test administered three times a year creates a personalized assessment experience by adapting to each student's learning level--precisely measuring progress and growth for each individual student.

## MATH

Enhancing and updating curriculum standards with new math curriculum and materials.

**FRSD, ranks within the top 50% of all 546 school districts in NJ (based off combined math and reading proficiency testing for the 2020-2021 school year.\***

# ACADEMICS

## SCIENCE

The District aligns with Next Generation Science Standards devoted to the four domains of science, including Physical Science, Life Science, Earth and Space Science, and Engineering Science.

## LANGUAGE ARTS

The District prepares students to become independent, curious, proficient, and kind readers, writers, and citizens using Teachers College inspired curricula.

# USING TECHNOLOGY

Students are highly engaged in technology from simulations that solve real world problems to discovering ways to organize data. Students use technology to enhance their learning. The District continues to receive financial grants, one after the other, to support our work.

**(Additional grant award announcements at the next Board of Education meeting on May 22, 2023.)**

# 2023-2024 Budget Overview

# 04

District staff & faculty salaries and health benefits, academic offerings, instructional programming, transportation, school safety, materials, etc.

# 2023-2024 Budget Themes & Goals

1. Academic Excellence for all, Student Learning
2. Social Emotional Health including Mental Health Supports
3. Unified Community Engagement and Outreach
4. Staff Recruitment and Retention
5. Finance and Facilities/Security

# District Priorities

## Goal #1 (Academic Excellence for All, Student Learning):

The 2023-24 budget allows the District to maintain optimal class size and student -to-teacher ratio is crucial for quality education.

Research has shown that smaller class sizes are associated with improved academic performance, higher graduation rates, and better student engagement.

Maintain low class size with a student to teacher ratio of 9.5 to 1, below the State average of 10.1 to 1.

Grade Level	Minimum	Recommended Maximum
Kindergarten	15	18
Grade 1	15	20
Grade 2	15	25
Grade 3	15	25
Grade 4	15	25

The District aims to keep class size below 25 in grades 5-8.

# District Priorities

## Goals #2 (Social-Emotional Health) Emotional and Mental Health Support

The 2023-2024 budget provides for Effective Schools Solutions to be maintained at three schools; JP Case, Robert Hunter, and RFIS.

- (Expansion to RFIS occurred in 2020-21 budget and 2021-2022 expansion into JP Case. No expansion for the 2023-2024 school year, but only maintain.)

The 2023-2024 budget maintains the additional school nurse and additional guidance counselor hired in 2023-24 budget.

- (No additional guidance counselor hired for Barley Sheaf or Student Assistance Counselor hired for JP Case.)

# District Priorities

## **Goals #3 Unified Community Engagement and Outreach**

Create opportunities to foster unity between the community and the school district in order to strengthen partnerships and develop a shared responsibility for student success.

- The Color Run is Back! May 21st Thank you to the Raritan Township Committee for their partnership in this event!
- Parent Academy Nights
- District wide community event participations
- Partnerships for New Jersey Sustainability Awards

# 622

and counting...

# District Priorities

## **Goal #4 (Staff Recruitment and Retention): Flemington-Raritan Educator Association 3.5% increase for the 2023-2024 school year**

- The 2023-2024 budget maintains salary increases for the five year contract set in place for educators salaries to allow the district to compete competitively for high-quality teachers
- Attract and retain high quality teachers
- Pay competitive salaries to assist to retain high-quality teachers
- Teachers who are well-compensated are more likely to stay in the same profession, preventing high turnover rates and ensuring consistency in teaching quality.

# District Priorities

## Goals #5 (Finance and Facilities/Security):

- The 2023-2024 budget maintains a Class III Officer at each school to provide security on the school premise during hours when the school is in session or when it is occupied by students or its teachers.

Class III Officers provide an additional layer of safety and security for students, teachers, and staff at FRSD.

(From left to right: Officer Craig Santoro, Officer Craig Monda, Officer Edward Purcell, Officer Mike Fitzpatrick, Officer Darren Powell, Officer John Carney)

# Maintaining Social, Emotional Staffing Positions from the previous school year & additional staff this year

## POSITIONS FOR SOCIAL EMOTIONAL SUPPORT FOR STUDENTS

- Additional nurse
- Additional guidance counselor
- Expansion of Effective Schools Solutions into J.P. Case Middle School

- \$134,845 cost in staff salaries
- \$300,700 cost for expanded School solutions

## ADDED SECURITY COSTS

A 50% increase in security costs for the district.

- Officer at Barley Sheaf
- Officer at Robert Hunter

# OUR Budget Increases

## SPECIAL EDUCATION

Increase in Out-of-District placement  
Related Services & Evaluations  
(does not include transportation increases)

## HEALTH BENEFITS

As a self-insured district, the increase in staff with bringing Teachers Assistants back into the District raised the District's total obligations.

## SECURITY

Increase in costs for the two Class III Officers hired last year. (An increase in costs was not in last year's budget because Raritan Township covered the salary costs for one year.)

- \$110,000

# OTHER INCREASES TO THE BUDGET

Chapter 44 is the State's health care benefit program (EHP & GSP) with lower employee contributions. The District achieved no savings as a result of Chapter 44.

15%
