

Dear Copper Hill Parents & Guardians,

Welcome to Copper Hill Elementary School! Copper Hill is one of the most diverse elementary schools in the Flemington Raritan School District, and because of this, we foster a nurturing, child centered learning environment for our students. The staff of Copper Hill continuously strives to help every student achieve their own emotional, social and academic potential. Copper Hill School will provide your child with a wonderful learning experience, focusing on the whole child. We instill positive character traits in our young students and celebrate children for their efforts to make good choices and demonstrate respectful behavior toward themselves, others and their school.

At Copper Hill we recognize the important role the entire community has in the education of each child. Parents are invited to participate in class activities, read with students and volunteer with our PTO. Having a shared vision for our students between home and school has resulted in great student success emotionally, socially and academically. We encourage you to become involved and show your “Cougar Spirit” this year!

On behalf of the Copper Hill staff, we thank you for your support and look forward to working with you and your children as we move into a new and exciting school year.

Sincerely,

*Vanessa Ahmed*

Principal

*Jesse Lockett*

Vice Principal
