

## **Well-Known Orton-Gillingham based Systems**

These are the most well-known Orton-Gillingham based systems.

### **Barton Reading & Spelling System**

Designed for one-on-one tutoring of children, teenagers and adults by parents, volunteer tutors, reading or resource specialists or their aides, and professional tutors.

The Barton System is the easiest one to learn because all of the tutor training comes on DVD, along with fully scripted lesson plans and free unlimited support.

Published by Bright Solutions for Dyslexia in California.
