Dear Parents,

Copper Hill certainly "Spread Some Sunshine" through our spring collection for the Flemington Area Food Pantry by donating 444 items to our community! This brought our grand total for the year to over 1,160 items! Thank you for your continued efforts this year to support the Food Pantry and families in our community - incredible job, Cougars!

The 2018-2019 school year was a wonderful year at Copper Hill and we are very proud of our students and staff for all that we have accomplished together! On behalf of our entire staff here at Copper Hill, we wholeheartedly thank you for all of your support this year and look forward to another year of learning and growing together! We thank each member of our school community for their contributions to this success: our students, staff, parents, PTO and entire Flemington-Raritan School Community. We would also like to recognize Ms. Lucille Hess, as she celebrates her retirement. Ms. Hess has been a dedicated and caring teacher who has touched the lives of many students and families throughout her tenure at Flemington-Raritan. She has been a tremendous asset to our school, a leader on her team and a wonderful colleague to all. Thank you, Ms. Hess, for all of your contributions to our community and education over the years! Enjoy your upcoming retirement!

We would like to wish our fourth graders well as they move on to Reading-Fleming Intermediate School next year! With the recent student visit to RFIS and RFIS parent night, everyone is excited to start in their new school. However, our fourth grade children will always be a part of Copper Hill, with their handprint on our hallway wall. Copper Hill is a community of learners with our "Cougar Spirit" and we know our students will continue to be their best and do their best as they become intermediate school students! Good luck, Fourth Graders!

Have a wonderful summer and make many memories with family and friends! We will see you in September!

Fondly,

Vanessa Ahmed  
Principal

Jesse Lockett  
Vice Principal

## HEALTH OFFICE INFORMATION

Parents are reminded that any medications their child has in school, such as EpiPens/Auvi-Qs and inhalers, will come home with them on the last day of school. Check their backpacks! Any student that is attending Extended School Year at Copper Hill, their medications will remain in school until the end of ESY. Have a wonderful summer!

## BUS STOP INFORMATION 2019-2020

Each year the Transportation Department assigns your child's bus stop based on where you live. If you plan to use a babysitter or enroll your child in daycare, you must submit a **new Child Care Request/Bus Stop Form**. This form must be filled out **each year** that your child will not be picked up from your home address or returned to your home address. Forms are available in the main office and on our website. These forms should be submitted before the last day of school. Otherwise, your child will be assigned a bus stop near your home.

## MOVING?

Please inform the office as soon as possible if you are moving out of the Copper Hill attendance area at the end of the current school year.

## LOST AND FOUND

We have an abundance of Lost and Found Items located right outside the office doors. Would you kindly have your child check for any missing items?
