

August 2023

Dear Parents and Guardians,

Welcome to the 2023-2024 school year! I am excited to have your child in my class! This year will be filled with lots of new opportunities to learn and grow. Just a few reminders in order to make this school year successful:

- Please send lunch and a snack for your child every day. If you would like your child to buy lunch, please send in money or upload payment to your child's online account and specify in their communication log what meal you would like them to purchase.
- There will be a daily communication log we will be using to communicate via Class Dojo. I will send an email invite to each of you to join Class Dojo!
- Parent Clinics: An important component of our program is home school communication, we are your support system! This year we have been granted coverage for the classroom one day a month to meet with you for parent clinics. If you could kindly look at the attached dates and times, then send me an email with your time preferences for each date or send them in with your child on the first day of school. We have found that our parents prefer having times set in advance because it allows them to plan accordingly with their schedules. In November, in lieu of parent/teacher conferences, we will have parent clinics, this permits us a longer amount of time to meet with you. The month that your child is scheduled to have their annual review IEP meeting we will not have parent clinic.
- For Parent Clinics there will be an option for in person or Google Meets. Please state your preference when you select the time.
- Please complete the attached information sheet to be sure the school has all up to date contact information and send in with your child on the first day of school.

I look forward to working with you, and your child this year! Please do not hesitate to reach out with any questions or concerns you may have. The best way to reach me is via email: erin.kraus@frsd.us

Thank you,

Mrs. Erin Kraus
