Dear Flemington-Raritan Parents, Community Members, Staff, and Faculty,

Last week, we proudly shared exciting news with our community that the Flemington-Raritan Regional School District is partnering with the State of New Jersey to expand our high-quality preschool program beginning in January 2024. To read my announcement, [please click here](#).

As mentioned, a survey is now available for families to complete. The survey will help to identify children in our District who may be able to enroll in the preschool program. For planning purposes, the survey asks for information about the child and the family as well as for contact information for future use. To complete the survey, which appears in both English and Spanish, [click here](#). Surveys are due November 2, 2023.

Our District is working on a Frequently Asked Questions (FAQ) document that will be shared soon. Please look for the FAQ from our District that will include updates and more details. For families wishing to inquire further, please remember to use this email: preschoolexpansion@frsd.us.

We look forward to welcoming more children into our preschool program and partnering with parents to foster their success. The Flemington-Raritan Regional School District continues to serve every student, every day, every opportunity.
