

Barley Sheaf PTO After School Enrichment Program

Course Offerings for Winter and Spring 2023

Welcome to the Barley Sheaf PTO After School Enrichment (ASE) registration for 2023! Please see the attached list of course selections, which offer engaging opportunities for our students on the days noted from 3:35 p.m. to 4:30 p.m.

Complete the online registration via Google Docs by clicking on the link following each class description.

We expect classes to fill quickly, so don't wait! Online registration closes on Friday, January 20, 2023.

When reading the course descriptions and completing the online Google registration, notice that each class is geared toward specified grade/s. Complete the following steps to ensure your child's registration:

1. **Please register for ONLY ONE Winter and/or ONLY ONE Spring course.** If a course is offered in both seasons, please only register your child for that course during one of the seasons so as to allow all of our students an opportunity to enjoy our club offerings.
2. When selecting a course, please provide all of the required information. Please double-check your email address, your confirmation will be sent to the address as entered.
3. Your registration will be confirmed via an e-mailed Permission Form sent from the Barley Sheaf ASE Committee. These confirmations are automated so if you do not receive the Permission Form within 24 hours, please check your Spam folder or contact us. **Please DO NOT attempt to register your child again.**
4. **Please print the permission form. Keep the portion that provides important ASE information, and sign/submit the other portion with your payment of \$25 per course. It is important to submit this form and payment within three (3) school days to formally complete your child's registration in the class.**

If you are interested in registering your child in the ASE Program and need financial assistance, please contact the Barley Sheaf School Nurse, Erin Eosso, at (908) 284-7588. Please note that the school nurse is not on duty during the PTO ASE Programs, therefore parents are responsible for any medical needs (food allergies, asthma, etc.) during this time.

If you have any questions about the Barley Sheaf PTO After School Enrichment program, please contact Jodi Reed jkreed415@comcast.net.

Thank you for your continued support and for the opportunity to present this exciting program!
