

# Week of Respect

## “Respect for All”

### October 2nd - October 6th

Beginning Monday, October 2nd, the Barley Sheaf community will celebrate the "**Week of Respect**" and our district wide theme, "**Respect for All**". Each day of the week, students will listen to a video recorded by a different staff member who will be sharing a book that will emphasize the day's theme. Daily themes for the Week of Respect will be:

- **Monday - Respect Those Around You**
- **Tuesday - Respect Your Teammates**
- **Wednesday - Respect Your Community**
- **Thursday - Respect the Environment**
- **Friday - Respect Yourself**

You may choose to read your own book with a similar theme at home.

Here is [my video](#) explaining the Week Of Respect that you can watch with your family this weekend.

We will also be celebrating a [Spirit Week](#) by dressing in different ways that promote respect for all. I have included the Spirit Week flier that will also be shared with all families on virtual backpack.

Please continue to **discuss what respect looks like, sounds like, and feels like in our classrooms, homes, hallways, and playgrounds** throughout the week (and through the year). You may choose to use our [Barley Sheaf student mission](#) statement linked here to do this.

Gina Collins and Brianna Coates  
School Counselors, Barley Sheaf
