Back to School Night Schedule

Dear Families,

It is with great enthusiasm that we invite you to our annual Back To School Night! This will be an important evening for you as parents. We open our doors for you to meet our teachers and learn about our curriculum, instruction, and resources.

In addition to classroom teachers, related arts teachers (Media Specialist, World Language, Art, Music, Physical Education & Health, and Robotics), and student support teachers (Literacy, Math, Speech, and ESL) will be available in their classrooms and welcome your interest. Back to School Night has been designed to present an overview of the instructional program and is not intended for individual conferences. Parent conferences will be held in early December.

Back To School Night is an evening for parents, and we ask that you make the necessary child care arrangements. We thank you in advance for your cooperation. We are very much looking forward to seeing you, and we know that you will find Back To School Night enjoyable and informative. Please remember that Thursday, September 21, 2023 is an early dismissal day. School will dismiss at 1:20 p.m.

Sincerely,

Amy Switkes, Principal
Kimberly Bostory, Vice Principal
