2023 Reinventing LEFTOVERS

Earth Day is on April 22nd!

This year we are focusing on reducing food waste and being creative with leftovers. What kind of dishes do you make with your leftovers? We'd love to know! Just post a pic on Instagram of something you made using leftovers and be sure to tag us [@maschiofood](#) and let us know what you used. It can be a **breakfast, lunch** or **dinner item**, even a **snack item!** Categories are below. We're so excited to see all the great things you make with your leftovers!

Winner will be announced on **Friday, April 21st!**

Most Creative **\$150** Most Versatile **\$150** Best Plant Based **\$150**
