

Dear Kindergarten Students,

We hope you and your family are having a great summer. The Barley Sheaf Bear and our Kindergarten teachers are very busy making preparations for the new school year. We cannot wait to meet you!

Kindergarten is so much fun! We will be learning, playing and meeting new friends. We will be doing many interesting projects during the year. We ask that you bring the following supplies to share with the classroom:

- 6 boxes of Crayola Crayons, 24 crayons per pack (regular size)
- 4 Elmer's Washable School Glue sticks (0.77 oz. size)
- 1 box of tissues
- 1 box of assorted markers (not skinny)

You also need to bring a backpack and a **big, bright smile!**

See you soon!

The Barley Sheaf Kindergarten Teachers
