PARENTS OF INCOMING 5th & 6th GRADERS

Asthma Treatment Plans, Allergy Action Plans, and Daily/PRN Medication Forms must be completed and a hard copy and *all medications (inhalers, Epi-Pen, etc)* delivered to school by **August 11, 2022**.

These forms are mandated by the State of New Jersey and must be on file before any medication can be dispensed. Any 6th grade student wishing to enroll in any RFIS club sports will need to have these forms completed. All Health Office forms are available on the [District website](#).

If you feel that your child no longer has asthma/needs an inhaler or no longer has an allergy/needs epinephrine, please provide a letter stating this from your doctor.

INCOMING 6th GRADERS

- ★ Physician documented immunization records (hard copy) of the Meningococcal and Tdap vaccines must be submitted by **August 11, 2022**. *Students who have not met the NJ Department of Health immunization requirements may be denied entrance to school in September 2022.*
- ★ 6th grade students wishing to enroll in Club Sports will need to have the proper medical forms completed. All information regarding these forms can be found on the RFIS website under [Clubs & Intramurals](#).

Families requiring financial assistance should contact the Hunterdon County Public Health Nursing and Education Dept Reduced Cost Vaccine program at 908-806-4570.

Please email the RFIS Health Office with any questions: lkoch@frsd.k12.nj.us
