## ***Do I really need to pre-order a pizza?***

There is certainly no requirement to pre-order a pizza, however we only order a limited amount of extra pizza to avoid waste, so if pizza is “what’s for dinner” for your family that evening, pre-ordering is recommended. If you think a whole pizza is too much for your family, perhaps share the cost and the pizza with a friend.

## ***Can we bring our pizza/snacks into the gym?***

In order to keep all our Barley Bears safe, food is NOT PERMITTED in the gym.

## ***What are Teacher Experiences?***

Teacher Experiences are unique prizes donated by various Barley Sheaf staff for raffle, for example: a pizza lunch with a teacher, librarian for a day, kickball with friends...the teachers come up with the most creative ideas!. These prizes are truly priceless and the children love to see what their favorite teachers have offered for winning, so be prepared to be persuaded to buy some chances!

## ***Can a family win more than one basket, teacher experience, or prize?***

Yes! The raffle is all about luck. Not every family will win! Explaining this to your child ahead of time may be helpful. Helpful tip re: the basket/prize raffle tickets: bring some of your home address labels to affix to the tickets, so you don’t have to write your name repeatedly!

## ***Do I need to be present when the winners of the 50/50, Baskets, Teacher Experiences, and Prizes are announced?***

Should you be the lucky **50/50 prize winner, you MUST be present** to accept the prize, announced approximately 7:25 pm.

You **do not need** to be present when the Basket, Teacher Experiences and other Prize winners are announced (around 7:50 pm). If you are one of the lucky winners of a Basket, Experience or Prize and you are not present at the announcement, we will notify you and keep the winnings safe until you can pick it up (please be sure your name is neatly written on your tickets (or use address labels)!)

## ***I'd love to help out for a little, but also want to spend time with my family during PICTO, is this possible?***

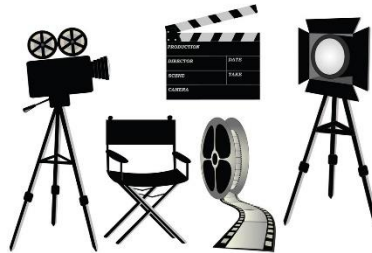

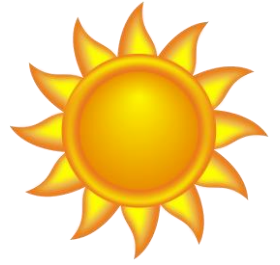

Absolutely! Please look for a Sign-up Genius link coming out in the next few weeks. Your help is GREATLY APPRECIATED! Many hands make light work!
