

[We Hit the Jackpot With the Staff at Barley Sheaf!](#)

The Barley Sheaf Elementary School PTO is excited to celebrate Teacher Appreciation Week from May 8-12, 2023. To recognize the dedication of the staff throughout the week, the PTO has planned a variety of themed days. Please see the [flyer](#) for ways that the PTO plans to recognize the staff throughout the week.

As part of the theme week, we would like to provide some sweet treats for the staff on Friday, May 12th. The PTO is looking for parent volunteers to make (or buy) desserts that our teachers and staff can indulge in the faculty lounge. If you are willing and able to provide a sweet treat, please sign up using the following [link](#). All sweet treats can be dropped off at the school during student arrival.

In addition, the PTO would like to create punch boards to match the themed days. Our goal is to have enough \$10 gift cards to fill holes on the punch board so that every staff member at Barley Sheaf wins a prize. If you would be interested in donating a \$10 gift card towards the staff punch board, please sign up using the following [link](#). Donations can be dropped off to Kelliann TenKate at 10 Johnston Drive, Flemington, NJ 08822 prior to April 21st.
