

COPPER HILL HALLOWEEN PARADE

Monday, October 31, 2022

Dear Parents,

This year we will be starting our Halloween Parade at 9:30 am on Monday, October 31, 2022. We will begin with preschool, and then proceed with grades kindergarten through fourth at approximately 10 am. Students will be entering the blacktop area via the gym doors and walk the length of the blacktop to the sidewalk at the rear of the blacktop. Cones will line the parade path and students will be walking with their classes.

As you and your child begin to plan for his/her costume, please be mindful that our student population is ages three and up. Scary costumes can have a lasting impression on our youngsters and could make it an uncomfortable event for them. With the parade taking place in the morning, students can come to school dressed in their costumes and any fine tuning with make-up or masks can be done at school (Halloween masks cannot be worn on the bus). Please remember that plastic weapons such as guns and swords may not be brought to school as part of a costume. At the conclusion of the parade, students will change into regular school attire for the remainder of the day. Please make sure your child comes to school with a change of clothes.

In the event of inclement weather, the parade will continue indoors for our students, however, due to space limitations, parents will not be permitted into the building to watch this parade. Let's keep our fingers crossed for good weather!

We want to thank you in advance for your cooperation and we are looking forward to another successful parade for our students.

Sincerely,

Jesse Lockett
Principal
