Dear Robert Hunter Parent/Guardian,

Welcome to Kindergarten! We hope this email finds you and your family well. We had hoped that we could reschedule our kindergarten development assessment, but unfortunately we will not be able to do so. The Early Screening Inventory we have used is helpful for us to get to know our new kindergarten students and assists us in creating balanced kindergarten classes.

Since we are unable to complete the screening, we are asking parents of incoming kindergarten students to complete a survey that will help us get to know your child. Please understand that your responses are for the school's planning purposes only, and the answers will have no bearing whatsoever on the enrollment process.

Please set aside approximately 25 minutes to complete the survey, and at the end there is an opportunity for our soon to be kindergarteners to upload a picture that they drew of themselves. Your son or daughter can also write their name on their picture (if they are able).

Please click on this link to complete the survey: [Robert Hunter Incoming Kindergarten Survey](#)

We would appreciate your completed survey by July 22nd.

Thank you for your help in providing key insights into your child as a learner. We are still making plans for Kindergarten Orientation on August 27th at 8:00 am but will provide you with details closer to the scheduled date.

Sincerely,

Sherri Glaab, Principal; Jessica Braynor, Vice Principal &
