

**ROBERT HUNTER ELEMENTARY SCHOOL PTO**  
**HOMEROOM PARENTS WANTED**

The PTO is looking for parent volunteers to become **HOMEROOM PARENTS** for this 2021/2022 school year. Homeroom parents assist the teacher as needed and schedule classroom volunteers, activities such as class celebrations, and special grade level projects. Two homeroom parents are typically selected for each classroom.

Responsibilities of a Homeroom Parent include:

- Meet with classroom teacher to determine your level of involvement
- Become a PTO member and attend PTO meetings when possible
- **All homeroom parents are required to attend the first PTO meeting Monday September 28, 2021 at 7:00 pm**
- Organize classroom celebrations at the teacher's discretion
- Coordinate volunteers for your class as directed by the teacher
- Communicate classroom and PTO activities to parents
- Encourage participation and attendance at Robert Hunter events

Be sure to discuss all ideas with the teacher. The teacher must approve all projects and celebrations. In person volunteering may be limited due to COVID-19 precautions and restrictions. The homeroom parent must also adhere to the food guidelines for school celebrations, food allergy guidelines, and Harassment, Intimidation, and Bullying Policy.
