

Robbie Raccoon's Adventure Camp

Robert Hunter's PTO Summer Enrichment Classes 2023

FOR ROBERT HUNTER STUDENTS ONLY

About Robbies Adventure Camp

Exploration and play lead to serious learning at Robert Hunter's Adventure Camp.

Students **entering** grades 1-4 will kick off their summer immersing themselves in a new theme each week.

Students will be lead by dynamic and fun, certified teachers who will share their passion for learning and exploring. Activities will be planned around learning so children can experience the deepest, most genuine learning while having fun. This enrichment camp will foster play-based learning opportunities inside and outside the classroom.

We've created a variety of programs so children can have the chance to dive into fun learning activities each day.
