E. FINANCE – Dennis Copeland, Chairperson, Next Meeting – August 23, 2018

6. Motion to approve the reduction of the appropriation in account 12-000-400-450 by \$359,218 to offset the loss of State Aid, as announced on July 13, 2018.

These funds were budgeted for the partial roof repair at the Reading-Fleming Intermediate School. At this time the Business Administrator still anticipates completion of this project, by using Capital Reserve funds to offset the cost.
