SUPERINTENDENT'S REPORT

Dr. Kari McGann and Kathleen Barbee presented - "Continuing with Confidence: The Road Forward," as attached.

Mr. Bart recognized the magnitude of the nurses' efforts and asked that they keep the communication open with Dr. McGann, the building principals, and the Board. Mr. Bart asked that all treat the nurses with civility and asked the community to work with our nurses.

Dr. McGann said that if contact tracing becomes too much, they can look to outsource. A floating substitute nurse will be hired to alleviate the workload. Dr. McGann asked that the community be kind to the nurses.

Mr. Bart asked if volunteers can be tested through the schools. Dr. McGann replied that volunteers can be tested through the schools. The testing will be done on Wednesdays through Mirimus.

Ms. Rosengarden thanked the nurses for working really hard.

Ms. Abbott reminded all present that this is a board meeting that the public is invited to attend.

On the motion of Mr. Cain, seconded by Ms. Rosengarden, the minutes of the Executive Meeting on September 8, 2021 were approved *viva voce.

*Mr. Varanasi abstained

On the motion of Ms. Abbott, seconded by Ms. Rosengarden, the minutes of the Regular Meeting on September 8, 2021 were tabled. Mr. Bart asked for more detail to be added.

CITIZENS ADDRESS THE BOARD

Mr. Bart read the following statement regarding public comment pursuant to N.J.S.A. 10:4-12(a), the Open Public Meetings Act. Members of the public are invited to address the Board according to the Board's policy and by-laws. Please be aware that this portion is your opportunity to comment, and is not a forum for the Board to respond to your comments. However, the Board will certainly give all comments appropriate consideration.

Mr. Bart set the session to 30 minutes with 3 minutes for each person.

Ms. Peterson, Raritan Township, said that the nurses work hard and do an excellent job. She said that medical testing is not for school. Spitting into a cup is inappropriate for children at school. She cited statistics from Florida. She suggested that the Board stand up for the people in the district.

Sarah Stangota, Raritan Township, talked about transparency. Wants to know why her child is quarantined due to exposure. She is not disputing the guidelines, but wanted to know how and where her son was exposed. Parents should be given this information. She said that simulcasting is inadequate and flawed.

Carmen Stangota, Raritan Township, gave his 3 minutes to Sarah Stangota.

Sarah Stangota, Raritan Township, expressed concern regarding the dashboard on the website and wondered if there was an error in reporting. She said she is disheartened by the lack of response from the Board of Education to emails she has sent.

Mr. Bart reminded everyone to keep their masks on during the meeting.

Briana Regit, Raritan Township, said she is distrustful of the school district. First, she was told there would be no masks in Gym, now they wear masks in Gym. She said COVID testing should not be in school. She has asked, in writing, that her child not be tested without her consent.

Richard Williams, Raritan Township, is upset with the government rules regarding the pandemic. He said it is a faux crisis. It is just political. He is concerned that if children don't get the vaccine, parents may lose their jobs because their child won't be going to school. He said we don't have to endorse totalitarian rules. Americans push back and don't submit. Mask obedience is a symbol of their political power.

Jennifer Grub, Raritan Township, is a volunteer at Barley Sheaf and Reading-Fleming Intermediate School. She is disappointed with the announcement of the testing policy for volunteers. She said she is not an employee and volunteers five times in 180 days. She said we will see less and less parents that want to volunteer due to this policy.

Kristen Boyce, Flemington Borough, is a Reading-Fleming Intermediate School volunteer. She agrees with the volunteer policy. She supports and appreciates the efforts of the Board and Dr. McGann, and she thanked them for all they are doing.

Victoria Yurkie, (location inaudible), thanked the Board for all they do to protect our children and keep them safe. She asked why the Board is tolerating the behavior of some of the parents at the meeting. Parents should be respectful. We are in an educational institution where all should behave like adults. She has removed her child from Barley Sheaf because it is COVID infested and she cannot trust families to follow the rules.

Michelle Hurley, Raritan Township, is disappointed. Escalations keep rising. There seems to be a breakdown of communication within the district. The district is out of touch with what parents are experiencing. The mask policy changed the day before school started. There needs to be leadership from top down and not bottom up. Parents are getting information by word-of-mouth. She said consistency across the district is needed; and to modify the way information is disseminated in order to lessen frustration and confusion.

CORRESPONDENCE

OLD BUSINESS/NEW BUSINESS

Mr. Bart distributed a draft document that was started in July regarding district goals, superintendent goals, and board goals. There was discussion on the document. Revisions will be made and Mr. Bart asked the Board to reflect on the revisions discussed this evening. The document will be board approved at a future date.

CITIZENS ADDRESS THE BOARD

Mr. Bart read the following statement regarding public comment pursuant to N.J.S.A. 10:4-12(a), the Open Public Meetings Act. Members of the public are invited to address the Board according to the Board's policy and by-laws. Please be aware that this portion is your opportunity to comment, and is not a forum for the Board to respond to your comments. However, the Board will certainly give all comments appropriate consideration.

Mr. Bart set the session to 30 minutes with 3 minutes for each person

Sabrina (last name inaudible), Raritan Township, asked about The Road Forward policy. Dr. McGann responded that it will be posted on the district website tomorrow.

Richard Williams, Raritan Township, stated that he is getting tired of hearing about incivility at the meetings. He would love for his kids to come and watch others debate. He said wearing masks is all political. He said that vaccine mandates are coming and he is concerned that his child will have to get the vaccine.

Kaitlyn Ryan Persh, (location inaudible), thanked the nurses, administration, teachers and Board. Her children are happy to be back in school after 1 ½ years. The work the teachers are doing and the social emotional growth is great. She recognizes this is fragile, not because of the Board, but because of COVID.

Michelle Hurley, Raritan Township, asked why attachments are not sent out with the agenda. Dr. McGann responded that they are not for the public until approved. Ms. Abbott reminded Ms. Hurley that she is here to witness the meeting and it is for the Board to deliberate.

ADJOURN

On the motion of Ms. Abbott, seconded by Ms. Rosengarden, the meeting was adjourned at 10:00 p.m. viva voce.

Respectfully submitted,
