BOARD GOAL SETTING SESSION

Mr. Bart distributed documents outlining the feedback received from Board Members regarding Board Goals.

- NJSBA Board Certification on information
- Dr. Copeland’s suggested goal surrounding Board Governance

The Board discussed the need for a Governance goal to clean up policy and clarification. The Board discussed the need to continue discussions regarding the need for additional security in our schools. A continued discussion occurred as the Board felt Security should be a goal for the Superintendent. The Superintendent will be bringing the Superintendent & District Goals to the September 24<sup>th</sup> Board Meeting. The Board discussed the need for continued Professional Development for the Board as a goal. The Board discussed the thought of possibly having “Support” for the new Superintendent as a goal. The Board then discussed that “STEM” can be a Superintendent Goal and possibly Professional Development for the Board. The Board agreed that supporting the Superintendent should already happen. The Board discussed the need to be sure that the Superintendent moves forward with focusing on Special Education. The Board noted that they now have a Special Education Board Committee. Ms. McGann noted that the hiring of a new Director will be a Superintendent goal. The last goal discussed was surrounding demographics and finance. The Board felt this is a Superintendent function. The Board felt finance should be added under Professional Development. It was noted that demographics was included with the Strategic Plan.

The Board summarized the following as goals and agreed:

- Continue defining Governance and updating Board policy

The Board will develop and implement a program of:

- Professional Development which includes but not limited to;
- STEM
- Communication
- Finance

As part of this goal, the Board will also explore Board Certification.

The Board discussed a third goal:

- School events – the Board will increase their presence to support students and school

The Board agreed to change Facilities/Operations Committee to Facilities/Operations/Security Committee.

Ms. Fallon arrived.

The Board goals were more clearly defined and finalized.

A discussion occurred regarding the process for Board Members to attend school events. It was agreed that Mr. Bart, Ms. Abbott and Dr. Kenny will focus on the Governance Goal. Ms. Borucki and Mr. Walker will focus on the Board representation at school/events and Ms. Markowski and Ms. Mitcheltree will focus on the Professional Development Goal. An update will be provided at each Board meeting.

**A motion was made by Ms. Mitcheltree, seconded by Ms. Borucki to accept the Board Goals as follows:**
