---

May 10, 2021

Dear Parents/Guardians of 4<sup>th</sup> Grade Students:

On behalf of all of us at Reading-Fleming Intermediate School, I would like to welcome you as future members of our educational community. Your child's two-year experience at the intermediate school level will be the bridge to their middle and secondary level education. This is a unique and exciting time for your child, as they will begin to enter adolescence. We are eager to partner with you to make their educational experience at Reading-Fleming a positive one.

We would like to invite you and your child to participate in our Parent/Student Orientation program for next year's incoming 5<sup>th</sup> grade students on Thursday, May 27, 2021 at 6:00 pm. The format for this year's program will be a live webinar that will focus on student life at RFIS, academic programs, daily schedule, and extracurricular offerings. The objective of the evening is to provide an understanding of a day in the life of a RFIS student and to discuss the opportunities and supports that are in place to ensure a successful 5<sup>th</sup> and 6<sup>th</sup> grade experience. The presentation will also focus on our values and philosophy as a school to meet the needs of all of our students as we transition back to a more "normal" school experience following the pandemic.

Specific information on how to access the webinar will be provided in the near future and we plan to record this webinar for parents and students to view at a later date if they are unable to attend or wish to revisit any information.

In addition to the information shared during the orientation, students will have the opportunity to view a video and virtually tour RFIS with their 4<sup>th</sup> grade class. This will take place during a school day soon after the orientation. Thank you to our RFIS counseling department for creating this welcome video and tour for our incoming 5<sup>th</sup> graders!

We look forward to welcoming you to RFIS at our orientation webinar the evening of Thursday, May 27<sup>th</sup> at 6:00 pm.

Sincerely,

Dr. Anthony DeMarco  
Principal
