## Girls in Engineering & Technology (GET)

A Virtual program hosted by Hunterdon Central's Science National Honor Society

- Are you a girl interested in STEM?
- Do you want to learn about various engineering disciplines
- Do you want to learn basic programming skills?
- Do you want to learn about what opportunities are available to you in high school and beyond?
- If so, GET is for you!

Mrs.Grasso: [snhs@hcrhs.org](mailto:snhs@hcrhs.org)

4-week virtual program beginning March 14th!

Open to all girls grades 6-8 interested in STEM!
