TEACHER	CAMP TITLE	DESCRIPTION	GRADE LEVEL IN SEPTEMBER	MAX SIZE	SESSION
Señora Morales	¡Dimelo en Español - Tell me in Spanish!	This camp is for students who want to sharpen their Spanish skills. Students will have an opportunity to be immersed in a Spanish speaking environment. First we will review the basics through the use of technology games. Then we will dive a little deeper and use the language in role play and natural conversation. Lastly we will have fun interpreting and analyzing Spanish language media. Students will be having fun and learning Spanish in a non-intimidating way.	Grades 5 & 6	15	Session 1 (July 10-14)
Irina Dmitrenko	Crafty Yoga Camp	We'll begin every day with 45 min yoga practice to learn how to strengthen our bodies and mind. We will then "travel" to a new country to learn about the culture and make art that represents this country. Whether it's folding Japanese origami or making African beaded bracelets, the children will have a great time.	Grades 5 & 6	12	Session 1 (July 10-14)
Leigh Kermizian Caldwell	Mrs KC's Creative Crew	Mrs. KC's Creative Crew will get an opportunity to explore mediums such as NEEDLE-FELTING, PAPER-MAKING, CARDBOARD CONSTRUCTION, and PRINTMAKING. This is a great opportunity to be creative and collaborate with friends! Open to anyone who loves art!	Grades 5 & 6	15	Session 1 (July 10-14)
Ms. Kristina Ferguson	Garden Variety Camp	This camp will focus on the importance of plant life and vegetation and its influence on health and well-being, while also practicing good habits and responsibility. Students will be able to grow their own plants and learn about their lifecycle, while also doing fun arts and crafts activities. By the end of camp, students will have a basic understanding of how to start their own miniature garden!	Grades 5, 6, 7 & 8	12	Session 1 (July 10-14)
Colette Baills	Let's Play Some Games!	Students will participate in a combination of both large group games and board games. Students will have fun being active while working on skills such as friendship making, social skills, good sportsmanship, following directions, team building and healthy competition. *Students should come dressed in sneakers and comfortable clothing.	Grades 5, 6, 7 & 8	15	Session 1 (July 10-14)
Amy Soltis & Michelle Genito	Summer Book Club	Are you...Looking to read a new genre? Interested in reading a book for fun? Collaborating with other readers spark your interest? Before camp begins, we will choose a genre and book. The book will be broken into sections, with the first part being due by the first day of camp. We will choose between Dystopia and Historical Fiction-Mrs. Genito and Mrs. Soltis will then choose the book. For each section/part we will do one/some of the following: -journaling -discussion -question/written response -visual/mural/drawing -identify tone/mood/emotions At the end of the last day of the session we will do one/some of the following: -write a letter to the author -draw a visual of the book, storyline, etc. -collage, mural... -write a review	Grades 5, 6, 7 & 8	15	Session 1 (July 10-14)
Cate Sewall	Adventures in Art Camp!	Creative Campers can choose their own adventures in paint, paper mache, cardboard creations, collaborative drawing games, plushies, virtual reality drawing, and more! We will end each week with summer birthday celebrations and a pop-up art gallery for all to enjoy!	Grades 7 & 8	15	Session 1 (July 10-14)
Marissa Geist	Mindful Makers	Over five days, your student will work with a Licensed Clinical Social Worker to develop and strengthen conversational, relationship-building, and problem-solving skills while interacting appropriately through crafting fun!	Grades 7 & 8	10	Session 1 (July 10-14)
M. Fabby Obregon	Travel around the Hispanic Countries with Sra. Obregon	This week all the students advancing to 7th and 8th grade will have an introduction to the Hispanic countries, learning about their cultures, foods, geographical location, etc. We will create an imaginary trip through Spain and through Latin America using videos, posters, class material, games, using interactive and fun methods, which will be very beneficial for the students considering in 8th grade. The students will also learn about them with songs, games, crafts, celebrations, and other activities. Each day the students will have the opportunity to play outside taking advantage of the summer weather while learning vocabulary helpful for the next school year.	Grades 7 & 8	16	Session 1 (July 10-14)
Katie Chardoussin	Literacy and Design Challenge Camp: Book-Inspired STEAM projects	Use STEAM ideas and engineering design to solve problems presented through stories. Each day we will start with a new story and learn how to use the engineering process to solve the problem in the story. Students will work through the engineering process, modifying their designs as they build to continuously improve them. Students will have access to materials to build their design based on each project: cardboard, pipe cleaners, cups, etc. Projects may include paper airplanes, creating new inventions, architectural builds, and much more.	Grades 5, 6, 7 & 8	12	Session 1 (July 10-24)
Leigh Kermizian Caldwell	Mrs KC's Creative Crew	Mrs. KC's Creative Crew will have an opportunity to explore mediums such as NEEDLE-FELTING, PAPER-MAKING, CARDBOARD CONSTRUCTION, and PRINTMAKING. This is a great opportunity to be creative and collaborate with friends! Open to anyone who loves art!	Grades 5 & 6	15	Session 2 (July 17-21)

Students will have fun being active while working on skills such as friendship making, social skills, good sportsmanship, following directions, team building and healthy competition. *Students should come dressed in sneakers and comfortable clothing.	Grades 5, 6, 7 & 8	15	Session 2 (July 17-21)
Katie Chardoussin	Recycled Art Camp	What can be made from our recycling bin? See how we can repurpose our recyclables to create fun projects! Mrs. Chardoussin, one of our CH teachers, is excited to offer a Recycled Art Club for grades 5-8! Some recycled materials we will work with include glass bottles, plastic bottles, cardboard rolls, bottle caps, egg cartons, tin cans, newspapers/magazines, etc. Projects include flower vases, water bottle flowers, sun catchers, cardboard robots, ornaments, and more!	Grades 5, 6, 7 & 8	12	Session 2 (July 17-21)
Kelley Ellenberg	The Stock Market Game	What could be more important for your child than personal financial literacy? Using The Stock Market Game, your child will explore the fundamentals of personal finance and investing, while practicing content and skills in math, English Language Arts, economics, social studies, and other subjects. Working together to build and manage an investment portfolio in a real-world, dynamic marketplace, your child will analyze and make decisions, explore the consequences of your choices, and seek new ways to strategize for success.	Grades 5, 6, 7 & 8	15	Session 2 (July 17-21)
Amy Dahms	Young Engineers: Cardboard Arcade	Whimsy's Young Engineers Makerspace Camp: Come build, explore, wonder, collaborate, & learn. Projects include: Cardboard Arcade Games, Rube Goldberg machines, paper airplane physics, fidget spinner science, catapults, a Pringles Ring, & more! Families are invited to come play the cardboard arcade games and win prizes at the final session.	Grades 5, 6, 7 & 8	15	Session 2 (July 17-21)
Cate Sewall	Adventures in Art Camp!	Creative Campers can choose their own adventures in paint, paper mache, cardboard creations, collaborative drawing games, plushies, virtual reality drawing, and more! We will end each week with summer birthday celebrations and a pop-up art gallery for all to enjoy!	Grades 7 & 8	15	Session 2 (July 17-21)
