

Donate your loose change to the Student Council's Coin Collection. If we reach our goal the **WHOLE SCHOOL** will receive extra recess time! !

Our goal is to order for our outdoor classroom backless benches in the gray, green, tan or brown so they blend in with the woods. We hope to order (6) six foot benches and use our caps to make them! We would need to raise \$2000 to cover the cost of the benches plus the anchor kits. We already have the caps now we just need to raise funds to transform them into benches.

Help Us Transform Plastic Caps Into Benches for Our Outdoor Classroom

Coin Collection runs from
11/1- 11/17
