

SPRING

STEM!

KIT PICKUP: MAY 17, 18, & 19

TWO STEM PROJECTS FOR SPRING!

Make blooming flowers that will bloom right before your eyes to reveal a surprise. Also make your own parachute toy! We provide you with a variety of materials to design your parachute your way. Will it drift slowly to the ground? Experiment with a design that works!

For Grades K-2.

To register, visit our events calendar at <https://hclibrary.evanced.info/signup/Calendar> and sign up for the date and time you would like to pick up your kit (May 17-19).
