

## Flemington-Raritan Regional School District

February 27, 2020

Dear Facility Use Applicants:

The Summer of 2020 marks the beginning of "Phase 1" of the \$42M Referendum that was voted on and passed by the Flemington-Raritan community on November 5, 2019; and we are so excited for the work to begin!

The work scheduled for this summer entails substantial construction which will occur at Barley Sheaf, Robert Hunter, and Copper Hill Elementary Schools. These 3 buildings, fields, and parking lots, will be closed and inaccessible to facility users beginning **June 25, 2020 to August 24, 2020.**

We are in the process of finalizing locations for our district summer programs. If you have already reserved any facility or field that falls within the above-mentioned construction timeframe, or in an area that the district will be utilizing for our summer programs, you will be notified as soon as possible. We will be happy to assist you with the possibility of relocating your activity to another FRSD school that has availability.

We appreciate your cooperation and will do our best to accommodate everyone.

Enjoy the remainder of the school year!

Thank you,

*Melinda Roethke*
