

Board Member Application

Interested in volunteering and making a positive impact in our school community? Consider serving on the board of the Flemington Raritan Education Foundation.

Our Mission: To foster excellence in education by funding innovative and enriching educational initiatives for children from pre-K through eighth grade in the Flemington-Raritan School District.

We are looking for motivated individuals, who can volunteer their time, to help further our mission. Board members help to plan and run FREF events, promote FREF throughout the community, assist with writing and obtaining grants, communicate with district staff and help to raise funds for various initiatives.

Why the need?

Education foundations promote excellence in education by providing grants to educators that fund initiatives throughout the school district. These initiatives provide educational advantages to the children by funding activities that would not otherwise be funded through the traditional district budget.

They have a broad impact that goes beyond the classroom by engaging retired alumni and educators, as well as business leaders, community members and corporations in their efforts to enhance student achievement. As independent, non-profit organizations, they open additional revenue streams, not otherwise available to public schools, and...

- Play a critical role as districts face tight budget cuts and caps, as well as elimination of programs and services
- Garner a variety of resources and funds for the enhancement of educational opportunities for children in the school district
- Recognize and encourage academic excellence through grants for teachers and administrators
- Enhance communication between the district and community
- Offer opportunities for community members to become involved with their local district.
