

Birthday Celebrations

We love to celebrate each child's birthday in our classroom! Due to our district wide wellness policy, we now celebrate differently than what some of you may have experienced in the past. Instead of food treats, we ask parents to send in a "**Birthday Book**". It should be a book the child has selected that is appropriate for the classroom. We welcome parents to come in and read the special book to the class. (Please contact your child's teacher a week in advance if you would like to do this.) If a parent cannot come, the teacher will happily read the book. Following the reading of the "**Birthday Book**", the honored child gets to pick their favorite color marker which will be used by the students to sign the end pages of the book. The book then becomes a treasured keepsake for the birthday child to take home. We will celebrate summer birthdays as well.

As always please let us know if you have any questions!

Sincerely,

The Kindergarten Team
