Vice Principal

Dear Robert Hunter Elementary School Parents,

I hope you are all doing well. Per our new Board of Education policy, parents can request a change in their child's schedule from in-person (hybrid) learning to all remote, or vice versa. Any requests honored will start on December 4th, when the new trimester begins. Please note that all requests must be made in writing to the Principal, Mrs. Sherri Glaab. If a change is needed, please note that it will likely result in a teacher shift and may also result in a cohort change. A change in teachers or cohorts may be necessary to ensure balanced class sizes and meet social distancing requirements of six-feet between students' seating arrangements. Robert Hunter Elementary School will work to honor requests and support families during this challenging time. If you desire a transition for your child from in-person (hybrid) learning to all remote learning or all remote learning to in-person (hybrid) learning, please reach out to me to discuss your child's schedule.

Requests to transition must be emailed to the Principal at sglaab@frsd.k12.nj.us on or before November 11th to be considered. Your prompt request allows our school to make the necessary adjustments to our building schedules and cohorts. All requests to transition from in-person learning to fully remote, or vice versa, shall be granted, provided that they are received by the deadlines set forth, and with the understanding that transitions to in-person learning will occur at the beginning of the new trimester and transitions to fully remote learning or in-person learning will occur after receiving written permission from the Principal.

Sincerely,

Sherri Glaab
