**H. POLICY DEVELOPMENT- Janine Foreman, Chairperson, Next Meeting – TBD**

1. Presentation of the following policies for first reading:

**0146 Board Member Authority (New & Recommended)**

Several recent School Ethics Commission decisions found conduct by a Board member while visiting a school violated the School Ethics Act or the Code of Ethics for Board Members. Bylaw 0146 provides guidance to Board members when visiting a school indicating a Board member shall comply with district policy and regulations for all school visitors.

**4159 Support Staff member/School District Reporting Responsibilities (New & Recommended)**

N.J.A.C. 6A:9-17.1 was revised in 2009 requiring certificated staff members to report to the Superintendent of Schools their arrest or indictment for any crime or offense within fourteen days. Policy Guide 3159 was developed and provided to SEA client school districts in August 2009 in Policy Alert 186. However, N.J.A.C. 6A:9-17.1 did not establish the same reporting requirement for non-certificated staff. School administrators have requested a Policy Guide to include the same reporting requirements for non-certificated staff as required of certificated staff in accordance with N.J.A.C. 6A:9-17.1. Policy Guide 4159 has been developed to include the same reporting requirements for non-certificated staff. However, N.J.A.C. 6A:9-17.1 indicates the consequence for the failure to report by a certificated staff member could result in a certificate revocation or suspension, while this is not an option for non-certificated staff members. Policy Guide 4159 for non-certificated staff members indicates a consequence for failure to report may result in disciplinary action in accordance with law. It is recommended a district discuss this Policy Guide with non-certificated staff representatives before recommending Board adoption.

**5338 Diabetes Management (New & Mandated)**

Public Law 2009, Chapter 131, was signed into law on October 1, 2009 and addresses the care of pupils with diabetes in the school setting. The new statutes, N.J.S.A. 18A:40-12.11 through 18A:40-21, require school districts to take specific actions to ensure pupils with diabetes are able to manage their disease and balance food, medications, and physical activity while at school or at school-related functions. New Policy Guide has been developed listing the requirements as outlined in the new statutes. The Guide should be reviewed by the school district's health personnel, as the school nurse will be required to develop health care plans for pupils seeking diabetes care while at school. This Guide has been developed to be consistent with the statutes and may be revised in the future if the State Board of Education adopts administrative code/regulations. The new law takes effect on January 29, 2010. As these responsibilities are required, we have made the Policy guide mandated.

**6112 Reimbursement of Federal and Other Grant Expenditures (New & Mandated)**

Recent American Recovery and Reinvestment Act (ARRA) monitoring auditors are requiring school districts to have a formal Board approved policy concerning the reimbursement of Federal grants be submitted to the New Jersey Department of Education (NJDOE) for review. The NJDOE recently published a policy and procedure guidance, *New Jersey Department Of Education Policies And Procedures For Reimbursement Of Federal And Other Grant Expenditures – July 2008*, on the NJDOE website. New Policy Guide has been developed using this NJDOE guidance. Policy Guide 6112 is mandated as the NJDOE is requiring a policy during ARRA monitoring.

**6740 Reserve Accounts (New & Recommended)**

The adoption of N.J.A.C. 6A:23A on December 19, 2009 includes N.J.A.C. 6A:23A-14.1 through 14.5 concerning reserve accounts. The changes in the new code sections regarding capital reserve accounts,

maintenance reserve accounts, and other reserve accounts required the development of new Policy Guide 6740. The new Policy Guide 6740 should replace the existing Policy Guide 6740.

**8420 Emergency and Crisis Situations (New & Mandated)**

P.L. 2009, Chapter 178 was approved on January 11, 2010 to become effective November 2010. The new law amends N.J.S.A. 18A:41-1 and reduces the number of required fire drills each month from two to one and requires one school security drill each month. The new law also requires training on school safety and security. Policy Guide 8420 has been revised to incorporate the new and amended provisions of the new law. P.L. 2009, Chapter 178 also requires the New Jersey Office of Homeland Security, working with the Department of Education and other State agencies, to develop and disseminate a building security drill guide and training materials. Strauss Esmay recommends school districts revise Policy Guide 8420 in advance of the Homeland Security Building Security Drill Guide and training material in the event these materials are not disseminated to districts before November 2010. Additional revisions to these and other crisis regulation guides may be required when the Homeland Security documents are published.

**9400 News Media Relations (New)**

Flemington-Raritan does not currently have a policy addressing Media Relations. The Board Policy Committee is recommending the adoption of this policy.

2. Approval of the following revised policies:

**0171 Duties of Board President and Vice President (Revised & Recommended)**

The re-codification of N.J.A.C. 6:3-1.2 to N.J.A.C. 6A:32-3.1 requires a legal citation revision in Bylaw 0171. Additional changes include a minor word change in #5 of the Bylaw and one of the optional responsibilities of the Board President has been divided into two options. These are the only revisions in the Bylaw.

**0173 Duties of Public School Accountant (Revised & Recommended)**

Administrative code sections in N.J.A.C. 6A:23A – Fiscal Accountability, Efficiency, and Budgeting Procedures, adopted in December 2009, replaced many of the administrative code sections of N.J.A.C. 6A:23 – Finance and Business Services. Many of the new N.J.A.C. 6A:23A administrative code sections were recodified from N.J.A.C. 6A:23 without any revisions. N.J.A.C. 6A:23-2.2 – Principles and Directives for Accounting and Reporting was relocated to N.J.A.C. 6A:23A-16.2 with minor revisions. Bylaw 0173 has been revised to include the new legal citations with a few additional minor changes.

**5111 Eligibility of Resident/Nonresident Pupils (Revised & Mandated)**

The New Jersey State Board of Education recently readopted N.J.A.C. 6A:22 – Student Residency with several amendments. The amendments include an expanded definition of guardian; a provision for an equitable distribution of shared responsibility for the cost of a pupil with a disability if domicile cannot be determined; a provision that a child is always entitled to attend school in his/her district of domicile even if the child may be living elsewhere with a person other than his/her parent/guardian; a provision that school districts may take applications for enrollment by appointment provided there is no delay in enrollment; and clarification on the consequences of abandoning a residency appeal prior to final adjudication or settlement. Policy Guide 5111 has been revised to incorporate these amendments.

**5516 Use of Electronic Communication and Recording Devices (Revised & Mandated)**

The availability and ever-changing types and uses of electronic communication and recording devices requires Policy Guide 5516 be reviewed on a regular basis. Policy Guide 5516 has been revised to provide guidance to school districts regarding a pupil's use of electronic communication and recording devices. One option prohibits the possession or use of a device on school grounds at any time. A second option does not prohibit possession or use of a device on school grounds, but only permits the device to be used during the school day with permission. Very few school districts permit electronic communication device use during class passing times or during a pupil's lunch and free period, which is not an option in this Policy Guide. This Guide also includes the remotely activated paging device mandated requirements of

N.J.A.C. 6A:16-5.8 regarding student fire fighters, first aid, and rescue squad volunteers. Districts should carefully review the two options for electronic communication and paging devices provided in the Policy Guide. Presently, the use of electronic communication devices, except paging devices, is not governed by any statute or code and a district has flexibility when developing a policy regarding these devices. The revisions to this Policy Guide are extensive and this revised Policy Guide should replace the existing Policy Guide 5516.

**6111 Special Education Medicaid Initiative (SEMI) Program (Revised & Mandated)**

N.J.A.C. 6A:23A-5.3 has been revised in two areas. The first revision makes the requirements for a district to obtain a waiver of the code requirement by increasing the number of projected SEMI eligible pupils in the district from thirty to forty. The second revision expands the documentation requirements for a speech therapist to be considered a qualified related service provider and eligible for SEMI reimbursement. These two revisions have been incorporated into Policy Guide 6111 along with the removal of several compliance dates that have already past.

**6360 Political Contributions (Revised & Mandated)**

Subsequent to the revisions made in Policy Guide 6360 in Policy Alert 187, the New Jersey Department of Community Affairs (DCA), Division of Local Government Services, published Local Finance Notice LFN 2010-3 regarding public procurement issues. Most importantly, the DCA eliminated the requirement for non-profit organizations to file Political Contribution Disclosure Forms (PCDs). School Boards are also required to incorporate certain N.J.A.C. 6A:23A accountability regulations into their policies and procedures. Policy Guide 6360 has been revised to not require PCD forms for non-profits and all required N.J.A.C. 6A:23A accountability regulations have been previously incorporated into Strauss Esmay's policy and regulation guides and have been provided to school districts in prior Policy Alerts.

**6422 Budget Transfers (Revised & Mandated)**

The adoption of N.J.A.C. 6A:23A on December 19, 2009 includes N.J.A.C. 6A:23A-13.1 through 13.4 concerning budget transfers. The revisions are not significant and the Budget Transfers Policy Guide has been updated to include these changes.

**6830 Audit and Comprehensive Annual Financial Report (Revised & Mandated)**

Administrative code sections in N.J.A.C. 6A:23A – Fiscal Accountability, Efficiency, and Budgeting Procedures, adopted in final form in December 2009, replaced many of the administrative code sections of N.J.A.C. 6A:23 – Finance and Business Services. Many of the new N.J.A.C. 6A:23A administrative code sections were just relocated from the now reserved N.J.A.C. 6A:23 chapter. N.J.A.C. 6A:23-2.2 – Principles and Directives for Accounting and Reporting was relocated to N.J.A.C. 6A:23A-16.2 with minor revisions. Policy Guide 6830 has been revised to include the new legal citations with a few additional minor changes.

**8310 Public Records (Revised & Recommended)**

Two recent New Jersey Appellate Court decisions and pending legislation (A559) concerning the New Jersey Open Public Records Act (OPRA) require revisions to Policy and Regulation Guides 8310. In *John Paff v. City of East Orange*, 407 N.J. Super. 221, the Court supported a Government Records Council (GRC) decision upholding the OPRA custodian's determination to not accept OPRA requests via fax and requiring all requests to be mailed or hand-delivered. This Court decision makes accepting faxed OPRA requests an option provided requests are accepted by mail or hand-delivery. In *Smith v. Hudson County Register*, 411 N.J. Super 538, the Court indicated public agencies must charge requestors of government records no more than the reasonably approximated "actual costs" of copying such records. However, subsequent to the *Smith* decision, the Senate and Assembly approved Assembly Bill 559. This legislation establishes standard fees for paper copies made pursuant to an OPRA request and will supersede the "actual cost" provisions of *Smith*. A559 is expected to become law within the immediate future and in anticipation of A559 becoming law, Policy Guide 8310 has been updated to make acceptance of OPRA requests via fax an option and the sections of the Guides concerning copy costs have been updated to reflect the copy fee provisions of A559. A559 includes a flat rate fee of 5 cents for letter size copies and 7 cents for legal size copies. Until A559 becomes law, districts should charge the actual cost for copies as

outlined in the *Smith* decision. Districts are advised to check Strauss Esmay’s website to keep informed on the effective date for A559.
